

2007-2009 POLICY BOOK

ACC held its 2009 Plenary Policy Session in Grande Prairie on May 29. This year, a record 100 delegates participated in the four-and-a-half hour event, chaired for the 28th time by Ron Chapman.

The delegates debated 29 policies and approved 24 of them for inclusion in ACC's three-year policy book. All the new policies have been rolled into the book, which is available at this link:
