Member Announcements

At the beginning of each month, on behalf of member businesses, we send a selection of Member Announcements to the membership.

You are entitled to a free Member Announcement each year, but space is limited and announcements are included on a first-come, first-served basis.

Dear [Contact First Name],

You can book your November 2011 announcement now by emailing the information to [Member Announcements](#).

Deadline for your material will be Thursday, October 27, 2011.

We always welcome your feedback.

We hope you're enjoying the new interactive format for Member Announcements. Each month, we'll be sharing member information with you via your email inbox.

Your Chamber membership provides for one **FREE** member announcement each year - but to keep the messages to manageable size, we limit them to the **first eight (8)** Member Announcements we receive.
